Dear Mr. Hunter:

On March 19, 1997 you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your April 1, 1997 responses are incomplete because you have not provided all the requested information. For these responses to be considered adequate, the following information is still required.

-In order to meet "best efforts" regarding contributor information, you still need to clarify if amendments will be filed to disclose previously unreported information. If a committee receives contributor information after the contributions have been reported, it must submit an amended memo Schedule A listing all the contributions for which additional information was received; or, file amendments to the previous reports on which the contributions were originally disclosed.

If this information is not received by the Commission within fifteen (15) days from the date of this notice, the Commission may choose to initiate audit or legal enforcement action.

If you should have any questions related to this matter, please contact Melissa Hurd on our toll-free number (800) 424-9530 or our local number (202) 219-3580.

Sincerely,

A handwritten signature in black ink, appearing to read "John D. Gibson", with a stylized flourish at the end.
